### Superintendent's Highlights

Kamiah School District just completed their second year of a CSRD grant. The improvements in the academic performance of students was dramatic.

Kamiah and Cottonwood began the year with a Professional-Technical Academy, exchanging students for technology, woods, and CNA classes. Students that participated enjoyed the program.

Kamiah boys took State in football and track for the second year in a row.

Kamiah completed an extensive renovation of the elementary and high school facilities, installing new heating and air conditioning systems, window replacements, and lowering of some ceilings.

\$250,000.00 of grant money was received to finish the window replacement, remodel the Home Economics room into a life skills center, and repair and upgrade the technology infrastructure.

### Progress Towards Meeting District Goals

#### 2001-02 Goals

#### Progress

Revise and update Kamiah's Strategic Plan.

The strategic plan was revised, updated, and published by a broad-based committee of stakeholders.

To raise student achievement to State and National averages on all State mandated testing.

IRI scores improved dramatically, and are above State averages, with the implementation of all day, every day kindergarten and other research-based academic programs for all students. DMA and DWA scores are at State levels or higher and great improvements were evidenced in the ITBS and TAP tests.

Continue to develop and align district curriculum to State and National standards.

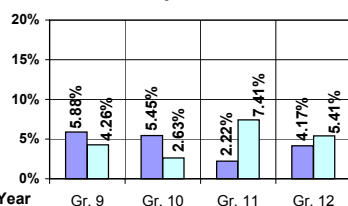

Kamiah now has language arts, science, and social studies developed and aligned.
